**Principal Title :** Prince Bariantisky.

**Creation :**

**Subsidiary Titles :**

**Family Name :** Bariantisky.

**Family History :** Baratynskoy/Baratynsky/Bariatinsky/Bariatinski.

The family originated in Poland but emigrated to Russia, in the early XVII century. In return for services rendered, they were granted estates in Smolensk

They can, however, trace descent from Rurik, in 862, and are known to have reigned in Chernigov.

The name comes from their estate of Boriatino.

While generally recognised as princes, the exact date and origin of this rank is less clear.
