

Capracotta

Description of Arms :

D'azzurro al leone tenente nelle branche anteriori un maglio e fissante una cometa ondeggiante in sbarra nel punto destro del capo, il tutto d'oro, il leone fermo sulla vetta di un monte di tre colli all'italiana d'argento, nascente da una roccia al naturale movente dalla punta dello scudo.

Index

Principal Title : Duke of Capracotta.

Creation : Italy,

Subsidiary Titles : Marquis, Count, Baron.

Family Name : Piromallo (Capece Piscicelli).

Family History : Extinct.

Although originally this was a Spanish title, it was transferred to the kingdom of Naples.

Recognition of the quality of nobility was accorded in 1538. The title of duke was awarded at the end of the XIV century, on the basis of male primogeniture. The style of Maruis, however, was for descent through both male or female lines. In 1904, the name of Capece Piscicelli was recorded in 1904, with the style of Nobiles of the Dukes of Caprocotta
