Description of Arms :

[Index](#)

Principal Title : Duke de Carrero Blanco.

Creation : Spain, 1973.

Subsidiary Titles : Grandee of Spain.

Family Name : Carrero-Blanco Pichot.

Family History : This is a very recent title, as can be seen above; it was created in 1973 in favour of Don Luis Carrero Blanco who, in Spanish fashion, took his name as his title.

Don Luis was born in 1903 and became an admiral and statesman. In 1973, he was President of the Council (Prime Minister) and was, tragically, killed by assassins' hands the same year.
