## **Family History :**

The duchy was created, in 1847, with the style of Grandee of Spain. The origins of the dukedom, however, go back to 1735 and to Naples. The present line traces its history to don José-Maria de Villaroel e Ibarolla, Marquis of Palacios and of Gracia Real, Viscount de la Frontera and Duke of Conquista. The title was restored, in 1957, to Maria del Pilar de Chavesy Lemery, Duches of Noblejas q.v.

Today, the title is born by Alfonso de Egena y Azua, Duke de la Conquista and Vicount de la Frontera. It is his brother who is the current Duke of Noblejas.
