Principal Title : Duke of Hornachuelos.

Creation : Spain, 1868.

Subsidiary Titles : Grandee of Spain.

Family Name : Acis de Hoces y Cubas.

Family History : This family has its roots in Andalusia, in the XIV Century. The title of duke was created, in 1868, in favour of don José Ramón di Hoces y Gonzáles de Canales, Count of Hornacheulos and Marquis de Santa Cruz de Paniagua. It is also one of a comparatively small number where the family name has remained relatively unchanged.
