**Principal Title :** Prince de Liechtenstein von Nikolsburg.

**Creation :** Holy Roman Empire, 1608.

**Subsidiary Titles :**

**Family Name :** de Liechtenstein von Nikolsburg

**Family History :** This princely and sovereign family traces its origins to lower Austria in 1183.

They became Princes of the H.R.E. In 1608 but this branch died out in 1712. A second *indegenato* was created in 1687 but remained ineffective because of non-residence. A third creation is recorded, applying to all members of the family, in 1715. This carried the appellation of Serene Highness but became extinct with the death of Prince Alfred.
