## Index

**Principal Title :** Duke of Misterbianco.

**Creation :** Sicily, 1685.

**Subsidiary Titles :** Duke of Sinagra.

**Family Name :** Trigona.

**Family History :** This is the third branch of this old Sicilian family. The senior line appears under Calvaruso. The second and fourth branches, as is often the case with these old families, are also honoured.

In 1685, there came the title of Duke of Misterbianco, on the basis of male primogeniture. In 1808, and on the same basis of inheritance, the title of Duke of Sinagra was also created.
