

## Bernadotte

### *Description of Arms :*

Coupé : au 1 d'or à l'épée en fasce la pointe dextre d'azur ; au 2 d'azur au bouclier d'or, chargé en bande d'un sabre d'or dans son fourreau de sable.

**Principal Title :** Prince Bernadotte.

**Creation :** Sweden, 1938.

**Subsidiary Titles :** Prince and Duke of Pontecorvo (1806), Duke of Ostrogothie (1911).

**Family Name :** Bernadotte.

**Family History :** This, of course, is a branch of the family that started as one of Napoleon's generals and went on to rule Sweden.

In 1937, Prince Carl renounced, on his own behalf and of that of his descendants, all rights to the Swedish throne and to all the titles that went with this. The following year, he was given the personal style of Prince, with that of Count for all his descendants
