Or, an eagle displayed sable, ensigned with a ducal coronet of the first, holding erect in its dexter claw a sword proper, its point ensigned with a ducal coronet gold, and in its other claw in bend sinister a chamber piece aimed upward proper.

**Principal Title :** Prince Ilin.

**Creation :** Russia,

**Subsidiary Titles :**

**Family Name :** Ilin.

**Family History :**

This family, as so many other Russian names, is descended from the Great Prince Vladimir Sviatoslavich, the Christianiser of Russia.

In due course, Great Prince Yaroslav Vsevolodovich gave his grandson, Konstantin; Galich as a *seigneurie*. From his stems Ilia, hence the name.

As a result of service to the Throne, as stolniks, they were rewarded in the customary manner.

The theme of the coat-of-arms can be found in several other families coming from the same source.
